The First Annual Meeting of the Egyptian Society
for Continuous Ophthalmic Education
(EGSCOE)

Welcome Message

Dear, Colleagues and friends,

It is with great pleasure to welcome all of you to the first annual international meeting of the Egyptian Society for Continuous Ophthalmic Education (EGSCOE).

This meeting is a special and unique event for all attendees to network; learn sophisticated pearls and new scientific advancements from the latest studies and updates or simply from other colleagues' valuable experience in Ophthalmic practice.

The organizing committee has prepared a tremendous program organized by youth ophthalmologists. The program involves symposia, guest lectures, interesting cases and video presentations beside highly valuable instruction courses. We are confident that all of you will enrich your practice through the knowledge that is presented here. This year we have reputable international guests with great interests in youth education. We look forward to meeting you all of you at the second international EGSCOE meeting on 17,18 Jan 2019.
